Annual in Therapeutic Recreation - Volume XV

Call for Manuscripts

The American Therapeutic Recreation Association is pleased to invite the submission of manuscripts for the fourteenth volume of the *Annual in Therapeutic Recreation*, to be published and distributed during the fall of 2006. The purpose of the *Annual* is to further advance the body of knowledge of the therapeutic recreation profession through the dissemination of information on research findings, theoretical models and innovative programs.

The *Annual* will consider a wide range of manuscripts:

- Theoretical and/or Evaluative
- Programmatic/Innovative
- Current Issues
- Conceptual and Empirical

Preparation of Manuscripts

Manuscripts should be submitted in both typed hard copy (8.5X 11 paper and double-spaced) and on diskette (MS Word, PC format). Five hard copies must accompany the diskette. Ideally, the manuscript should not exceed 25 pages, including references and tables. All text, tables, figures and references must adhere to the guidelines as published in the *Publication Manual of the American Psychological Association* (5th Edition). Figures and tables must be submitted on hard copy, camera ready on disk and hard copy. Abstracts and author biographical statements are required with each manuscript. Manuscripts that do not follow the proper format will be returned to the author (s). Authors should retain a copy of their manuscript as submitted.

Anonymous Review

All manuscripts will be anonymously reviewed; thus the title page of the manuscript should not be attached to the paper. The title page should include the title of the paper, author's name(s), institutional affiliation, addresses, telephone numbers and email addresses. The abstract page should include the title of the manuscript at the top of the page, but the author's name should not appear here nor in the body of the manuscript.

All manuscripts and correspondence regarding the manuscripts should be addressed to:
